

Arktika / Premium Vanilla Vodka

Alcohol
30%

Volume
700ml

Production Notes
Triple distilled and charcoal filtered

Colour
Clear Liquid

Bouquet
Soft vanilla on the nose, that's inviting for a long, rich finish on the palate with fresh and pure aromas

Palate
Complex and well-balanced. It has a smooth caramel after taste at the back of the mouth. As real vanilla beans have been used to make this vodka, there is also a very slight caramel appearance to the vodka

Finish
Clean, smooth with a hint of caramel on the back palate
